A Chance to Score with Hiring Employers

(San Francisco) – April 7 may be The Giants' home opener, but there is another big event in the City that day: San Francisco's HIREvent at the Hotel Whitcomb from 11am to 3pm, 1231 Market Street (above the Civic Center BART Station). It is a great opportunity for jobseekers to pitch their skills to a number of Bay Area employers, all with immediate hiring needs. Entry to management-level opportunities exist in finance and accounting, administrative, sales and marketing, information technology, customer service, law enforcement, and other fields.

Job-searching at job fairs is timely, cost efficient and the only way for jobseekers to meet decision makers from many different employers in just a few hours.

Attendees should dress professionally and bring plenty of resumes. Plus, jobseekers can get free expert advice on improving their resume by one of the on-site resume coaches.

San Francisco's HIREvent is sponsored by CBS 5, The CW 44/Cable 12, and California Job Journal. For more information, please visit www.JobJournal.com or call 1-888-THE JOBS.
